ALLIES HUNT MOMENTOUS DECISION

Former Local Man Is Slated For GOP Post

Werner W. Schroeder Leads In Race For GOP Committeeman

Attorney Werner W. Schroeder of Chicago, formerly of Kankakee, is a leading contender for Republican national committeeman from Illinois. It was announced today after the Republican state convention in Springfield.

Attorney Schroeder is opposed by Hill Blackett, Chicago advertising executive. It is regarded as probable the race will not be settled until June 23 or 24 at Philadelphia when the Illinois GOP will caucus at the beginning of the national convention.

Big Responsibility
The national committeeman, elected by the delegates to the national convention, has the responsibility of directing his party's campaign in his state.

Mr. Schroeder became interested in Republican politics as a young man in Kankakee through his close association with former Governor Len Small. He was very active in the party throughout the former governor's lifetime and has continued that activity since he has been a Chicagoan.

His work in behalf of the party has been state-wide and acknowledged to be of great importance. He is well acquainted with party leaders all over Illinois and from all appearances at the state convention yesterday he has an excellent chance of being the next Republican national committeeman.

Delegation Unpledged
Illinois 58 delegates will enter the Philadelphia convention unpledged to support any candidate for president. This was assured when supporters of Thomas E. Dewey abandoned yesterday their move to put through a resolution binding the Illinois delegates to the New York prosecutor.

Adopted by the state convention was a resolution expressing "appreciation and commendation" of Dewey for encouraging a revival of interest in the American system of government.

While the Republicans, foreseeing war feeling as a major influence on the voters in November, labeled themselves the "peace party" in their campaign platform, Illinois Democratic leaders prepared quietly for their own state convention Saturday, June 22.

List of Delegates
Chosen by the G. O. P. convention also were 29 presidential electors whose names will appear on the November ballot. By congressional districts, they are:

Arthur Broche, Chicago, first; Andrew C. Metzger, Chicago, second; William F. Propper, Dolton, third; Charles J. Grabowski, Chicago, 4th; Abraham M. Liebling, Chicago, 5th; John Duff, Chicago, 6th; Ray F. Thieme, Chicago, 7th; Edward Kowalski, Chicago, 8th; William J. Kelly, 9th; James Hollen, Chicago, 10th.

Rivals For Governor To Speak At Mommence "Glad" Festival

Plans for the presentation of the 1940 Glad festival under the auspices of the Kankakee County Gladious Festival Association, Inc. of Mommence are going ahead with well ordered precision, states W. W. Thierien, president of the association.

All committees in charge of various phases of the celebration have been working several weeks and reports indicate the festival of 1940 will surpass the other two years of its existence.

The flower show, both amateur and professional, around which the Gladious festival has been built, gives especially promising appearance of being the largest of its kind ever held in this section of the country. The fact that this year the show is being held in the new show house, a display of fireworks, the crowning of the queen of the festival will occur on one of the evenings.

A midway consisting of 40 concessions, five of the latest rides and three shows is also under contract for each day of the festival. Many free acts are now being booked.

Fired Manteno Employee Asks Reinstatement

Emil Thies Claims He Did Not Sign "Forced" Resignation

A mandamus petition was on file in circuit court at Chicago today asking that the state be compelled to reinstate Emil Thies, 50, to his former position of chief engineer at the Manteno state hospital.

In the action, filed yesterday against A. L. Bowman, state director of public welfare, and the civil service commission, Thies asked that his resignation as chief engineer be expunged on the grounds that it was forced. Thies held the post for about nine years.

Bowman was indicted on a charge of malfeasance in office following a typhoid fever epidemic at the hospital in 1939 which took 60 lives. That case is still pending.

Accused of Crime
Thies alleged in his action that on Dec. 8, 1939, he was called before Frank Figuiera of the state department of criminal identification, who accused him of taking money from the Patrick Warren Construction company.

Bowman and Dr. Walter Baer, then managing director of the hospital, were present during the interview, the suit alleged.

Later, the petition set out, Thies wrote a resignation which he did not sign or date, after Figuiera had "intimidated" him.

Asked Withdrawal
Subsequently, the suit said, Thies applied to the civil service commission asking withdrawal of his resignation but the petition was denied after a hearing in Springfield.

The Little Red Hen Finds Way Of Living

Trapped under a corn crib for three months, a Rhode Island hen was found and released Thursday at the residence of Isadore Bertrand of Irwin.

The Bertrands, who have only white chickens, moved to the farm in March but did not notice the little red hen under the crib until Thursday. Mrs. Bertrand who found it, said it was "pretty weak but still kicking."

The fowl apparently subsisted by eating corn which dropped through the floor of the crib. What it did for water, however, no one has been able to explain.

No Red Cross Money Will Go Into Germany

Only Desperate Need Is Reported In The Invaded Countries

The American Red Cross does not sponsor raising of funds for any such organization as the German Relief Fund, Inc., with offices in New York, it was disclosed today by the Kankakee county chapter.

This statement was made public since the German Relief fund is purporting to raise funds to be transferred to the German Red Cross either through the American Red Cross or Federal Reserve bank.

National Chairman Norman H. Davis informed the chapter here that "it is not the policy of the American Red Cross to act as a mere money transmitting agency, and inasmuch as it is not carrying on any relief work in Germany, there would appear to be no reason why such a transfer of funds as that indicated should not be made through ordinary banking channels."

Only One Red Cross
"Furthermore an act of congress prohibits within the United States the use of the Red Cross name and emblem by any other organization."

Mr. Aussenbaum has resided in Grant Park since the village was established in 1872. He was engaged in the harness business from 1870 to 1930. He formerly served as village clerk and township clerk.

File Objections To Annexation

A petition for a writ of certiorari for behalf of objectors to annexation proceedings in the area east of Hunter avenue and north of Court street was filed today in the office of Circuit Clerk Albert Tetrault.

The petition asks the circuit court to review the proceedings in the court of County Judge C. D. Henry in which the petition for annexation was found sufficient and following which the city council voted to annex the territory to the corporate limits of Kankakee.

Plaintiffs include Vernon Cote, Isador Bud Posing, Opal Posing, Doris Turner and Fred J. Goselin, who claim through their attorneys, Richard Schneider and Noel Diamond, that the petition for annexation was insufficient and illegal because it was not signed by a majority of the property owners and of the legal voters in the area. There are 81 property owners and 82 legal voters in the annexed region, according to the bill.

County Police Radio Okehed; Station WSTU

Approval of the application to operate a Kankakee county police radio system has been granted by the federal communications commission, it was learned today.

In a telegram from T. J. Slowie, secretary of the commission in Washington, George Luehrs, chairman of the county board, and Sheriff Dan Bergan were advised that the application had been granted with call letters assigned as "WSTU."

After several months of delay, the radio equipment firm of Doolittle and Faulkner Co., of Chicago can now proceed with erection of the transmitter and receiving equipment. The station is to be of 250 watts power.

Part of the equipment is already here. The firm notified Sheriff Bergan that it will have installation men here next week and can erect the apparatus within 10 days.

Following that, two weeks of testing is permitted, during which anyone can call or announce over the system. At the conclusion of that period, however, only licensed operators may use it. City and county police officers who expect to use the system will take examinations in the meantime.

Drunken Driver To County Court

Paul Robertson, 40, colored of Chicago, was ordered held in \$500 bond to the county court on a charge of driving while intoxicated and failing to stop at a red light at a hearing today, before Justice Fred R. Smith.

He was arrested following an auto crash Wednesday evening on highway 49 near Manteno when his car crashed into the rear of one operated by Julian Wilhelm, 49, electrician at Manteno state hospital. The latter had stopped to wait for a train to pass on a spur track and the Robertson car knocked him into the train.

Allied Fleet Tries To Lure Italian Ships Into Battle

By J. H. YINDRICH
Cairo, Egypt, June 15.—(UP)—The allied fleet is roaming the eastern Mediterranean, trying to lure the Italian fleet into battle, a naval spokesman said today.

But the Italian warships, he said, have not come into the open to take up the challenge and the British and French ships have to content themselves with protecting merchant shipping, attacking marauding submarines and sweeping up mines.

"Attacks were made on enemy submarines with successful results and several mines were swept up and destroyed off the Egyptian coast," the spokesman said.

He disclosed that an unidentified Dutch tanker had been sunk in the Mediterranean (presumably by an Italian submarine) with the loss of four lives.

He said that units of the allied navy had cooperated with Royal Air force bombers in the attack on the Italian naval base of Tobruk, Tuesday, in which the 9,000-ton Italian cruiser Sanguisoglio and two submarines reportedly were hit by bombs and set afire.

The allied ships engaged shore batteries while the planes carried out a bombing mission, the spokesman said. No allied ships were hit, he said.

(In a Royal Air force communiqué describing the raid on Tobruk, the Italian vessel hit and set afire was listed as a supply ship instead of a cruiser.)

In Cairo today, police appeared on the streets with helmets and gas masks after a police conference in which the security of the city was discussed.

Traffic commissioner Lieut. Col. Mohamed Choukri was ordered to requisition taxis and place them at the disposal of the military in the event of an emergency.

Defenders Of France Fall Back Further

French Say Retreat Is Orderly, Without Panic Or Desperation

BULLETINS
London, June 15.—(AP)—A Reuters (British News Agency) dispatch from Tours, France, said today that "during the next 24 to 48 hours the battle of France may reach its culminating point."

"Despite superhuman efforts already made by French troops, despite extreme fatigue and heavy losses, the French, it is stressed in authoritative circles here, have not given up," the dispatch said.

It added: "They are still fighting with all strength left to them but no secret is made of the tragedy that lies ahead if positive help does not arrive from other democracies with the greatest promptitude."

"France, in this most tragic hour in her history, is searching the sky over the Atlantic for a 'cloud as big as a man's hand' which would herald bitterly-needed American planes."

"But they will have to come quickly and they will have to come in thousands."

Berlin, June 15.—(AP)—Capture of Verdun—where the French in the world war fought "They shall not pass"—and a breaking of the Maginot line on a "broad front" south of Saarbrücken were announced this evening by the German high command.

The announcement said that both the town of Verdun and the "Hindenburg" had fallen.

Verdun lies about 135 miles east of Paris and about 25 miles south of Metz, northern anchor of the Maginot line which already has fallen to the German blitzkrieg.

Fort Vaux was stormed and Fort Marre captured in the drive on Verdun, the high command said in its special communiqué.

This represented a tremendous rear attack or a flank-turning movement against the powerful line of steel and concrete fortifications upon which the French had counted vainly in their "defensive" strategy.

The attack south of Saarbrücken represented a frontal assault near the middle of the German-French land frontier.

BY THE ASSOCIATED PRESS
Momentous decisions apparently were imminent today as the driven defenders of France fell back still further under the onslaughts of Germany's driving legions.

The Paris radio announced a cabinet meeting for 8 a. m. C. S. T. following reports in London that "strategic" decisions of great moment already had been taken by allied army leaders in France and that "the next 24 hours are likely to show what these are."

In Berlin, the French situation was regarded as hopeless.

Nazi troops have penetrated the Maginot line fortifications, the high command reported, and French forces are in flight.

More than 200,000 prisoners have been counted since June 5, it reported, and inestimable amounts of war material have been captured.

Bitter Hour
Exultant Nazis declared that what still remains of France's armies is on the verge of collapse.

"The French are fleeing wildly," a German spokesman declared, and the Maginot line, on which France once relied as safe from German invasion, "soon will be past history."

Allied sources admitted this was the bitterest hour for France in 70 years.

MIDWEST OPEN WILL BE HELD HERE JULY 28, AUG. 4

Proceeds Of Republican-News Golf Meet Will Go To Charity

The third annual Republican-News Golf tournament, bigger and better than ever and sporting a new name, will be held at Highland Lodge and Country club on July 28 and August 4 this year. The group which met Thursday evening to make plans for this year's event approved the changing of the name from the Northeastern Illinois Open, which had been previously used, to the Midwest Open.

The tournament, which was originally organized for the promotion of the golfing interest in the community, has as an additional purpose this year the task of assisting the Red Cross in their efforts to raise a fund for the relief of war victims. Chairman Irwin Witt and his committee in charge of the Red Cross drive in Kankakee are enthusiastically in favor of the plan and are hopeful of exceeding a fund-raising quota assigned to the community by the National Red Cross organization. A small administration committee will handle the tournament and the entire proceeds will be given to the Red Cross. So far as is known this will be the first time in golf history that the proceeds of a golf tournament have been given to charity. The Republican-News and the committee in charge of the tournament hope that it will inspire others to handle the golfing interest of the American people and the raising of money for the relief of the unfortunate sufferers in war-torn Europe.

The group which met at Highland Lodge included besides the Red Cross chairman, representatives from all Kankakee service organizations and the chamber of commerce. The committee and others present were enthusiastic in their approval of the plan and pledged their support and active assistance.

There is plenty of work to be done and help will be needed particularly in the actual conduct of the tournament to handle the large number of entries expected. Anyone interested in assisting in this work is requested to communicate with Irwin Witt or to write to the tournament committee in care of this newspaper.

As in the past the tournament will be a seventy-four-hole affair, thirty-six holes being played on Sunday, July 28, and thirty-six holes on Sunday, Aug. 4, again, as in the past, the tournament will be divided into three classes, a championship class, open to amateurs, and two classes, B and C, open to golfers whose game ranges between 90 and 100 strokes.

That hardy group of golfers whose scores are 100 and above will be in the winner of each class. In addition to the championship class, there will be two classes, B and C, open to golfers whose game ranges between 90 and 100 strokes.

CHAMPIONSHIP CLASS (Professionals)
First prize \$100
Second prize \$50
Third prize \$25

CLASS B (Amateurs)

Fifth prize \$2.50

CLASS C (Amateurs)

Fourth prize \$2.50

The cash and merchandise prizes, together with the trophies, are expected to amount to more than \$500 in awards. This is twice as much as the prizes for the previous year's tournament.

A detailed plan of the tournament was submitted to the Chicago District Golf association and has been approved by its board of directors. This organization, which is the largest and most influential golf association in the Midwest, sponsors the Illinois State Amateur and Open tournaments. An endorsement by the Chicago District Golf association assures the amateurs that their standing by participating in the tournament, and it is expected that a large number of entries will come from golf clubs which are members of the association. Highland Lodge and Country Club has recently been admitted to membership by the association and its cooperation in the tournament will not endanger their annual revenue.

Wallace Beery In Thrill-Shot Outdoor Drama

'20 Mule Team' Adventure Saga Of Men Who Sought Fortune in Desert

Wallace Beery and Leo Carrillo who teamed sensationally as Pancho Villa and his lieutenant in "Viva Villa!" join forces for the first time again in "20 Mule Team," saga of the pioneers of Death Valley, which opens Sunday at the Paramount theater.

Beery is seen as Bill Bragg, veteran muleskinner of the desert trail, driving back and forth through blistering heat to the railroad at Mojave, 162 miles away, while Carrillo appears as his faithful "swampy," the Indian Plute Pete. Completing the trio of leads is veteran character actress Marjorie Rambeau as Josie Johnson, owner of the hotel and saloon where Beery is in the habit of "undehydrating" himself. Another Beery, Noah, Jr., joins his uncle for the first time, playing the romantic male lead of the young company paymaster, Mitch. Anne Baxter, newcomer from the New York stage, is the feminine heart interest as Jean, Josie's daughter, who jilts Mitch and tries to elope with the gambler, Stag Roper, played by Douglas Fowley. Completing the featured cast are Clem Bevans as the prospector, Chuckawalla; Barton Churchill, Arthur Hohl, Clem Bevans, Charles Halton, Minor Watson, Oscar O'Shea and Lloyd Ingraham. Filmed on location in the original locale, Death Valley, "20 Mule Team" has all of the wild riding and gunplay of the best westerns as the fight is on to locate a new borax "mother lode." Richard Thorpe, directed, J. Walter Ruben producing.

MOTHER-IN-LAW WOE
Bordentown, N. J. (INS)—Walter B. Jones, of Crosswicks, had a novel scheme, police said, for getting even with his mother-in-law.

Driving on a Bordentown highway, Jones spied his in-law riding in the opposite direction and made a U-turn to draw abreast of her car. The "sight" of her made him angry, police quoted Jones, that he twice tried to force her from the road.

The angry son-in-law paid a \$5 fine and had his license revoked for two months.
